STEP INTO THE FUTURE WITH CHINA GLAZE KHROME

S*ix New Revolutionary Colors Shine With Steely Strength*

Los Angeles, CA – (September 2009): The new KHROME colors from China Glaze bring a fashion forward, modern edge to a soft and sophisticated color palette. Gleaming chromes range from the warm molten gold of "*2030*" to the icy liquid coolness of "*Metallic Muse*". The revolutionary new formulas shine with steely strength and glow with gorgeous color. These wearable shades are the perfect accessory to a casual autumn look or a festive party dress. Colors include:

- **Millennium**: Steely silver
- **Metallic Muse**: Icy cool sea foam green
- **Sci-Fi**: Metallic lavender
- **Robotika**: Reflective Plum
- **2030**: Warm molten gold
- **Hi-Tek**: Brazen Bronze

The future of nail polish is here! Starts shipping October 5th, 2009 and comes in 6 piece acetate box, 6 piece counter display and 12 piece counter display.

China Glaze colors may change from season to season, but our longwearing formula continues to provide consumers with the highest quality nail lacquers. Designed with the professional in mind, our 220-strand brush is great for ease of application. Best of all, our non-thickening formula provides perfectly even coverage. China Glaze nail lacquers are available through salons and professional beauty supply stores nationwide. For more information, visit: www.chinaglaze.com
. China Glaze is a division of American International Industries.

Это язык твоей " Скачать все альбомы кипелов "родины, сказал старик.

Эту вещь будет трудно восполнить, ответил Спайер, даже, если знаешь как.

Неведомая ""сила подхватила и потащила словно по невидимой стиральной доске, ввергнув ""его в бесшабашную стихию.

Ларри быстро открыл, и между ними " Маркетинг план ffi "состоялся короткий разговор.

Мы вошли и подождали, пока Шипучка ""нас догонит.

Я больше не в силах терпеть это полицейское преследование.
